

Completely Satisfied

But don't take it from us.
Read what our clients have to say...

"Under tight time constraints,
CS-Graphic Design offered imaginative
ideas in a professional manner and
made this project easy and even fun!"

- Peter Blaiklock, Likrilyn Capital Corporation

"CS-Graphic Design seemed to know
instinctively the image we were trying
to capture."

- Jim Tune, Director, Impact Canada

"CS-Graphic Design is always willing to go the
extra mile when it comes to tight deadlines
and the quality is never sacrificed."

- Stefanie DiRisio, Communications Specialist,
YMCA of Greater Toronto

"CS-Graphic Design combines a great flair
for design with a pragmatic approach to
communications."

- Pat Thompson, Former Director Communications
& External Relations, YMCA Canada

"Thank you for your outstanding contribution
to the Toronto Central LHIN's first IHSP."

- Barry Monaghan, CEO
Laura Pisk-Bezruchko, Senior Director, Planning,
Integration & Community Engagement

what does

stand for?

Customer Service

We take deadlines as gospel, take the time to understand your needs, work within your budget and stay in direct contact with you at every stage of your project. With CS-Graphic Design, you get truly *customized* service.

Creative Solutions

Our team of razor-sharp designers and writers are brimming with ideas to make you look fantastic...in an advertisement, a brochure, an annual report or an entire corporate identity.

Client Satisfaction

We are proud to serve those clients listed below, and many more.

Christine Stangenberg

As a graphic designer with more than a decade of experience, Christine Stangenberg is a highly-skilled professional you can trust. Christine and her team have the background and the commitment to help you achieve your communication goals.

Corporate Strategy

High-quality marketing and communications materials are an essential part of any effective corporate strategy. We make sure that everything we create matches your corporate objectives and fits your budget.

Common Sense

With CS-Graphic Design, you get the right message out to your customers, on time and on budget. Now that's good business sense.
